Opening reception with artist May 1<sup>st</sup>, 6 -9

Exhibit runs May 1st to June 20th

Patrick Willett, landscape and environmental watercolor & mixed media paintings at Buffalo Big print gallery. The opening reception is May 1<sup>st</sup> from 6 to 9. This opening is also the debut album release party for Juney Sunday. This extraordinary event is part of the first Fridays in Allentown series.

Patrick's work involves the healing and renewing aspects of our natural world as well as the reclaiming by nature of the materials that we choose to build with. His paintings evoke the awareness of place that we all share.

Patrick's paintings, landscapes for the most part, are executed primarily in watercolor, conte crayon and ink.

Western New York and Southern Ontario, especially permeate the work with a sense of place.
